

Extensive catalogue of Leoki's deaths in the Lands Between

This document here is a list of death's and their causes from the streams of one Leoki Ounce. The VODs telling stories of his adventures might be gone but the the achievements and efforts it took to conquer them shall be remembered by this document forever.

If you by some cruel twist of fate have never heard of Leoki before, you can find by following one or more of the links below:

- Twitch: <https://twitch.tv/LeokiOunce>

- Twitter: <https://twitter.com/LeokiOunce>
- Youtube: <https://www.youtube.com/channel/UCrnSxwJMFonTk8pE-8PDAmA>

As of right now stream numbers don't really mean anything as I'm certain I've missed the first streams VoD and possibly some other ones. They will be added later when the VoD get posted to youtube.
